

Rinnai

Convector
Portable Gas Heaters

Take the warmth and comfort with you

Explore our range and discover the convenience of Rinnai Portable Gas Convectors that are highly efficient, offering an economical home heating solution providing flexibility to be used in any room with an appropriate gas connection point, and easily stored away when not in use.

Features & Benefits

- Sleek contemporary design to suit any home
- Fully thermostatic for convenient set'n'forget operation
- Economy mode gradually reduces heat setting once the room has maintained set temperature
- Low emissions technology - the more stars the better
- Easy to use advanced controls
- Remote Control featuring on/off function and temperature control

Additional Features

Avenger 25 & Dynamo 15

- Dual Programmable Timers. Separate morning and evening timers that offer the convenience of fully automatic operation.

Enduro 13

- Both ON and OFF Countdown Timers. Manually activated to program the time you want your heater to turn on or off.
